**FREEDOM OF INFORMATION REQUEST**

**Request No:** AD-IG-01(2)-2016-85  
**Key Word:** Vehicle Procurement  
**Subject:** Vehicle Procurement  
**Request:**           **Date Received:** 19/07/2016  
                          **Date of Monitoring:** 20/07/2016  
                          **Date of Response:** 08/08/2016

Thank you for your request for information received on 19 July 2016 and which was dealt with under the terms of the Freedom of Information Act 2000. We would also inform you that Northern Ireland Ambulance Service (NIAS) Health and Social Care Trust has now completed its search for the information.

I am undertaking research into public sector vehicle procurement. Under the Freedom of Information Act 2000, please could you provide me with a list of all vehicles in use by the Northern Ireland Ambulance Service Trust?

**Question 1**

For each vehicle please include the following:

- Make and model of vehicle
- If the vehicle is owned or leased
- Which team or department the vehicle is primarily used by
- Which location/station the vehicle is primarily based at
- When the procurement contract for each vehicle is set to expire or be renewed.

**Answer 1**

Please refer to the attached document labelled FOI\_85 and which provides the following:

- Make and model of vehicle;
- If the vehicle is owned or leased;
- Which team or department the vehicle is primarily used by;
- Which location/station the vehicle is primarily based at

In relation to when the procurement contract for each vehicle is set to expire or be renewed, the Trust can confirm that we currently replace frontline response vehicles at 5 years old and support vehicles up to 10 years depending on their condition and subject to funding.

As Trust vehicles are owned there is no procurement contract expiry

I hope the above and attached fully assists you. If you are dissatisfied in any way with the handling of your request, you have the right to request a review. You should do this as soon as possible, or in any case within two months of the date of issue of this letter. Please note that, under the Re-use of Public Sector Information Regulations, if you wish to publish or otherwise use this information besides for your own means, you will need to seek our permission to do so.

In the event that you require a review to be undertaken, you can do so by writing to the Finance and ICT Director, Northern Ireland Ambulance Service (NIAS) HSC Trust, Site 30, Knockbracken Healthcare Park, Saintfield Road, Belfast, BT8 8SG.

If following an internal review, carried out by an independent decision maker, you remain dissatisfied in any way with the handling of the request, you may make a complaint under Section 50 of the Freedom of Information Act, to the Information Commissioner's Office and ask that they investigate whether the Trust has complied with the terms of the Freedom of Information Act.

You can write to the Information Commissioner at:

**Website:** [ni@ico.org.uk](mailto:ni@ico.org.uk)

Wilmslow, CHESHIRE SK9 5AF  
**Telephone:** 028 9027 8757 or 0303 123 1114 (Belfast based Office)

In most circumstances the Information Commissioner will not investigate a complaint unless an internal review procedure has been carried out. However the Commissioner has the option to investigate the matter at his discretion. Please be advised that NIAS replies under Freedom of Information may be released into the public domain via our website @ <http://www.niamb.co.uk>. Personal details in respect of your request will have, where applicable, been removed to protect confidentiality.
